Rebuilding Lives

December 2009

From the Director's Desk...

Dear New Life Friends,

What a glorious time of the year to reflect on the birth of our Savior. The Gospel of Luke, chapter two, gives us a vivid picture of the night the shepherds were guarding their flocks of sheep. Verse nine tells us, "Suddenly an angel of the Lord appeared among them and the radiance of the Lord's glory surrounded them. They were terrified but the angel reassured them, 'Don't be afraid!' he said, 'I bring you *good news* that will bring great joy to all people. The Savior, yes, the Messiah, the Lord has been born today in Bethlehem, the city of David.'"

It is so awesome that we too can share the *good news* that a Savior not only was born, but gave his life so that salvation could come to all who receive Him.

Yes, there are those who come into New Life Home who are scared and skeptical. Some have never heard "the *good news*". Many come wondering can this Jesus they tell me about really transform my life?" "Is He able to take away my sins, my scars, my hurts?" The answer is "Yes." He came to seek and to save that which was lost. He has come to give life and life more abundantly.

What a wonderful opportunity we have to minister to those who are bruised and broken and are searching for answers to life's problems. Today, we have a house filled with women and their children who need to experience the joy of His salvation.

This month we would like you to see a picture of our children here at New Life.

These precious ones, at young ages, have already been through a lot in life. Some have scars that need healing, others need stability, nurturing, and hope for their future.

The doors of New Life are open and only can remain open as you, our friends and supporters, sacrificially give. Why don't you give this Christmas to something that will last for eternity?

Your gift allows women and their children the opportunity to find the *good news* of new life in Christ!

We would like to invite you all to attend our Open House on Saturday, December 19th, from 1-3pm.

May God's richest blessing be upon you and your family this Christmas season.

In His Love,

George & Grace Rosado
